

Meridian Industries - Employee Benefits Policy

1. Health Insurance

All full-time employees are enrolled in the Company's standard group health insurance plan from their date of joining. Health insurance benefits for family members: yes, spouse and up to two children are covered under the standard plan at no additional cost to the employee. Coverage for additional dependents or an upgrade to a premium plan tier is available at the employee's own cost through payroll deduction.

2. Retirement Benefits

The Company matches employee retirement fund contributions up to 6% of base salary, in line with local statutory requirements.

3. Wellness Benefits

Employees have access to an annual wellness allowance covering gym memberships, mental health support services, and an annual health check-up.
