

Meridian Industries - Remote Work & Flexible Hours Policy

1. Remote Work Eligibility

Meridian Industries supports a hybrid working model. Employees can work remotely up to 3 days a week with manager approval, provided their role does not require full-time physical presence (e.g., facilities, front-desk, or lab-based roles). Requests for remote work arrangements should be submitted through the HR portal and reviewed by the employee's direct manager on a rolling basis.

2. Flexible Hours

Core collaboration hours are 11:00-16:00 local time, during which employees are expected to be reachable. Outside of core hours, employees may adjust their start and end times to suit personal circumstances, provided their total contracted hours are met and team coverage requirements are satisfied.

3. Equipment and Expenses

Employees approved for regular remote work are provided with a laptop and a one-time home-office setup allowance. Ongoing utility costs are not reimbursed under this policy; see the Finance Policy for travel and other reimbursable business expenses.
